Re: Participation of Carlos Andrés Tobar Tovar

The DSA held their conference in an online environment from 06th July to 08th July, 2022. Over 720 delegates attended for three days of panels and presentations.

This is to certify that Carlos Andrés Tobar Tovar attended the conference, and presented a paper entitled **From social infrastructure to pandemic resilience?: Learning from and with community-based organisations.**

The panel/paper abstracts and full conference information were published on the DSA2022: Just sustainable futures in an urbanising and mobile world website at <https://www.devstud.org.uk/conference/conference-2022>.

Carlos Andrés Tobar Tovar's participation in this event was much appreciated.

Yours faithfully,
